EDUCATION

Singapore Polytechnic • Expected in 04/2026

Diploma: Information Technology

Institute of Technical Education, College East

ITE Diploma: IT Application Development
- Edusave Scholarship Award, 2022

PROFESSIONAL SUMMARY

I am a highly motivated and results-driven IT professional with a passion for continuous learning and innovation. As a lifelong learner, I thrive on embracing new challenges and pushing boundaries to grow both personally and professionally. I am eager to expand my practical expertise in the field of Information Technology and contribute meaningfully to forward-thinking teams and projects. With strong soft skills including time management, teamwork, problem-solving, communication, and adaptability, I bring a balanced approach to collaboration and independent work. I am open to global opportunities and willing to travel to pursue meaningful and impactful roles.

WORK EXPERIENCE

Theo10 – IT **Intern** • *10/2022 - 12/2022*

- Gained hands-on experience in various software tools like Google docs/drive, Canva, Magento (CMS) and MailChimp.
- Manage eCommerce platforms such as Shopee, Lazada, Qoo10 and help set up TikTok Shop. List all their products.
- Created multiple designs using Canva and scheduled post them to Facebook, Instagram and subscribers using Meta Business Suite and MailChimp.
- Learned about products sold and wrote multiple blog posts about the products. Giving my opinion on how to improve sales.

PROJECTS

1. Rock, Paper, Scissors Game (HTML, JavaScript & CSS):
   Demo: https://qijie25.github.io/odin-rock-paper-scissors/

2. Calculator App
   Demo: https://qijie25.github.io/calculator/

3. Anime Website
   Demo: https://anime-website-52jl.onrender.com

CURRICULAR ACTIVITES

E & I Club

- During the 3-4 years I participated in Engineering challenge/ toy design competition hosted by Singapore Polytechnic which required us to build an automata in a team.
